Private Patients

Spinal Rehabilitation

at The Private Physiotherapy Clinic,
The Royal Free Hospital

- Back pain
- Neck pain
- Sciatica
- Poor 'core-stability'

The physiotherapists at The Private Physiotherapy Clinic are skilled in the assessment and treatment of both acute and longstanding back and neck pain.

We comply with recent national guidelines by providing a combined approach of manual therapy (manipulation, massage), exercise therapy (Pilates, strength and mobility training) and acupuncture, as appropriate, to treat the current symptoms and prevent future recurrence
