## **URINARY FLOW RATE TEST**

Oncology clinic  
Ground floor

In order to complete a flow rate test at your next clinic appointment, please arrive with a **FULL BLADDER**.

To fill your bladder, please drink at least 2 pints of fluid, an hour before coming to the clinic.

Please inform the nurse on your arrival that you will need a flow rate test and hand her/him this form.

**PLEASE DO NOT PASS URINE  
UNTIL YOU HAVE HAD THIS TEST DONE**
